Are You Buying THRIFT STAMPS EVERY DAY?

If you buy 25c Thrift Stamps at the rate of only one a day, and exchanged each book of 16 (with a few cents added) for a certificate worth $5.00 in 1923, you are saving money at the rate of $10.00 a month.

Good investment, isn't it? And a patriotic habit besides—for every single Thrift Stamp is a little added momentum behind the one great common desire—to shorten this war.

Thrift Stamps are for sale at the postoffice, by all mail carriers and at most stores.

SMOKED OUT INTO THE OPEN

The makers of the "ticket" referred to in our last issue have now come out into the open under the head of "Greater Glendale Campaign Committee." Two years ago it was the "Citizens' Welfare Committee" with the same man for secretary.

How easy it is for two or three "politicians" to meet in some back room, formulate a "ticket" and then report an "enthusiastic meeting" under some catchy name.

We would suggest that a more appropriate name would be be the "Office Holder's Union."

It is rumored that the reason "Office Holder's Union" put Hartley Shaw's name on their ticket was to prevent his becoming a candidate for City Attorney.

Grist was made the "goat" by the Greater Glendale Campaign Committee.

The man or woman who goes about telling on the most doubtful authority or upon no authority at all, tales likely to disquiet and worry those who have given their dear ones to the nation's armed service, or who retails scandal likely to bring the management of the war into contempt, is much more than a public menace.

The loyal citizen can render a positive service to his country by demanding of such distributor of distressing and hurtful gossip, the proof of his assertions, and if not furnished, by effectually shutting up the mouth of the person who disseminates it.

ATTEND TO YOUR INCOME TAX

If your income is taxable—and it must be a modest one to escape taxation under the war revenue act of October 3, 1917—don't wait to be notified that you must pay an income tax. The Government is not required to seek the taxpayer. The taxpayer must seek the Government.

The Bureau of Internal Revenue, with the approval of the Secretary of the Treasury, has extended the time for filing income and excess profits returns from March 1 to April 1, 1918. You may file your return any time before April 1, but if you wait until April 2 you are subject to a fine of not less than $20 nor more than $1000 and an additional assessment of 50 per cent of the amount of tax due.

Returns are required of every unmarried person—man or woman—whose net income for the calendar year 1917 was $1000 or more, and of every married person whose net income was $2000 or more.

The rate of tax is at least 2 per cent on net incomes of unmarried persons in excess of $1000 and on net incomes of married persons in excess of $2000. Payment must be made on or before June 15, 1918.

The estimated revenue to be collected this year under the war revenue act is $2,500,000,000, of which $666,000,000 is in individual income taxes. Last year 500,000 persons paid income taxes; this year it is estimated the number will be more than 6,000,000. If you are one of them remember that your dollars are for the support of the war. By promptly filing your return and promptly paying your tax you are helping the Government to early victory. Pay your income tax in the same spirit in which you bought your Liberty Bond. The proceeds are for the same purpose—to make the world safe for democracy.

Mr. Logan or Mr. Campbell, of the First National Bank of Tropico, will be glad to assist any one in making out their Income Tax report.

COUNTY TAX COLLECTOR'S APPEAL

The rapidly growing tendency of the taxpaying public to delay paying taxes until the time of delinquency has become a real problem to the officials responsible for receiving them, and necessitates the crowding of two days into one when the rush comes, and requires the employment of many extra clerks for a short period of time who are unfamiliar with the routine and lacking in knowledge to rightfully inform the public in response to the many inquiries made, all of which tends to multiply chances of mistakes and seriously delays the settlement and distribution of the receipts to the many funds for which the taxes are levied.

Owing to the cramped condition of the county finances, and for the above reasons, the county officials are anxious that the taxpayers make their payments early. A substantial increase in the receipts for the month of March will save the county treasury a considerable amount of money which otherwise must be paid as interest on unpaid and registered county warrants, besides enabling the tax office to render better and more prompt service not alone to those who pay early, but also to those who from necessity must delay their payments to a later date.

Here is a splendid opportunity for the exercise of patriotism LOCALLY APPLIED without additional cost or sacrifice on the part of the individual taxpayer.

DYNAMITING BALLOON IN MIDAIR

Venice offers a very sensational attraction for St. Patrick's Day (Sunday, March 17th), when "America," Ed Unger's queen of the air, a monster gas balloon, will be dynamited over the Venice pier at a height of 10,000 feet. As a novel attraction this is one of the greatest aerial stunts ever staged and it is on the present lines of military tactics. It offers a double attraction for the people of Southern California.

Unger will unleash the balloon at promptly 8:30 P. M., following the band concert, amid a glare of magnesium flares and a display of fireworks. Red and green lights will mark the course of the balloon through the air until one minute before the time fuse connecting the dynamite inside the balloon reaches its mark. During the interval of sixty seconds the sky will hold no trace of the big gas bag, for utter darkness makes the display and the explosion all the more intense and fascinating.

Everyone is interested in war and war subjects and in this aerial feat Venice is producing something that is in keeping with the times.

In addition to the big feature there will be hundreds of lesser but just as interesting features that will make your day at Venice one of keen pleasure. The "Green Ball" at the dance pavilion from 2 p. m. to midnight, with its many novelty specialties, the green balloon shower on the pier, "The Wearing of the Green" sung by Ethelyn Ostrom with the Venice band the green decorations and the green ocean, will make Venice the green spot of pleasure on March 17th.

EPIGRHYMES:

I guess I'm full of sentiment; and sentiment, they say, is but a synonym for "rot"—a thing that "does not pay." But **COULD I** look the image of Abe Lincoln in the face; or would my **LOVE** bring aught to Her save insult and disgrace; or would **I LESS** than coward be if **I SHOULD** smile, today, and chirp: "This patrictic 'Love of Country' doesn't pay?" 'Tis not "To **BE** much **HAPPIER,**" that you and I enlist—though happiness that's sweet and strong, for cowards, can't exist—it is because, deep in our souls, lives this sub-conscious vow: "Some day I'll prove that I'm a man!" That day has come—right **NOW.** And when the war is over, when we whisper 'Love's Sweet Song' she'll cherish, infinitely more, the tender love that's strong. And if the physical—the flesh—before the end shall die, and she shall know the body lies beneath some foreign sky, she'll know that Bailey's words are dead—that some day, in some cloud her arms will find the man she loves, who, dying, made her proud!

MORTON'S STUDIO GROWING

Mr. Robert B. Morton, proprietor of Morton's Studio, 607 N. Brand boulevard, has been given the contract for doing all the photographic work of the 1918 Stylus of the Glendale Union High School. This is the second year Mr. Morton has done the high school work, as he secured the contract for the work on the Stylus last year.

Mr. Morton is turning out some very fine work, and his business has grown to such an extent that he has had to open a branch in order to conveniently accommodate his customers. The branch is located at 310 S. Brand boulevard, and in the near future Mr. Morton will fix it up into a first-class studio.

People contemplating having a Los Angeles photographer do their work will do well by calling at the Studio and looking over Mr. Morton's work, as it will probably save them a trip into the city.

SCHOOL DISTRICT CONSOLIDATION

RED CROSS NOTES

JUNIOR ENTERTAINMENT

The entertainment given Thursday evening by the Junior Red Cross was one of the best of its kind ever given in Tropico. The entertainment was given in the Yeomen Hall, and it was taxed to its limit by the large crowd that attended. The admission was only ten cents, but it was well worth more. Children in every grade from the Kindergarten to the eighth took part in the program, and they all are to be complimented in the excellent way they rendered their various numbers. Miss Ruth Morgan, teacher of the third grade, sang three songs, which were well received. Several of the pupils of the Pearl S. Keller School contributed to the program. Much has already been said about these clever little artists and we will only say that their dancing was greatly enjoyed by the audience. It was only necessary to announce that the next on the program was one of these little artists and everybody became attentive.

The entertainment was in charge of Mrs. Eustace B. Moore, who was assisted by Mrs. Richard Todd.

The Red Cross is very much in need of sewing machines. If any one has one they are not in urgent need of, the Red Cross can make good use of it.

The Local Auxiliary would like to have more ladies make up sewing parties, getting the materials from headquarters.

Despite the bad weathre there has been a large attendance at the meetings of the Surgical Dressings class during the week. This class is being given instruction by Mrs. William Harvey, Jr., and the class is doing some fine work, and their teacher is immensely proud of their output. They are now making 4x8 compresses. A Wednesday afternoon class has been organized and it is probable that the regular members will attend all three meetings. The ladies who are working regularly are Mesdames Mary Ayers, Hal Davenport, Ed Ayers, L. M. Goodrich, Clyde Carmack, Frank Ashton, G. M. Adams, S. E. Brown, Riley Hogue, John Hobbs, M. Voll, Andrew Stephenson, C. A. Barker, A. O. Gallup, Mrs. Stillman and Miss Gallup.

Red Cross buttons may be procured from the treasurer, Mr. Charles H. Cushing, at the Library, or from the secretary, Mrs. Wesley Bullis at headquarters. The price is 25 cents, and they are sold to members only.

These buttons cannot be sold to Junior members. The button for the Junior members is larger.

The chairmen, or their representatives, of all branches aud auxiliaries of the Los Angeles Chapter met at the Headquarters in Los Angeles last Monday afternoon. The Tropico Auxiliary was represented by Mrs. Wesley Bullis.

Mr. and Mrs. W. R. Weeks, Bakersfield, have been the guests of Dr. and Mrs. Bahrenburg, of West Park avenue.

Word has been received from Jim Henry Ilse that he has arrived safely overseas.

Morris P. Light Passes Away

Morris P. Light passed away at his home, 639 Gardena avenue, March 11th, at the age of 71 years, three months and six days, He leaves a wife, Mrs. Ella B. Light, two sons. Colonel H. V. Light of San Francisco, and William H. Light.

A surprise reception was given to Mrs. J. H. Webster, of West Park avenue, by a number of her friends on Thursday. Mrs. Webster has lately returned from Holtville, where she has been residing for some time, and a number of her neighbors decided to give her a sort of an informal home welcoming. They met together Thursday morning, each one bringing their share of the dinner which had already been planned, and then went to the home of Mrs. Webster, who was very agreeably surprised. The dinner was then served and a very enjoyable afternoon was spent, and Mrs. Webster assured everyone that she was glad to get back among her Tropico friends.

The Kensington club celebrated its birthday Tuesday with a dinner and social afternoon at G. A. R. hall. There was an excellent attendance and the proceeds of the dinner brought about $10 to the club treasury. Following the dinner a business meeting was held at which officers for the ensuing year were elected as follows: President, Mrs. R. L. Sanders, Vice-President, Mrs. Effie Ripley, Secretary-Treasurer, Mrs. Lena Roberts. The afternoon was devoted to knitting, fancy work and a general good time.

The exact distance to either the north or south pole from the equator is 6,000 miles.

MISSION PLAY HAS TIMELY INFLUENCE

That justice will prevail at the end of the war, and the world's civilization be made secure, is the wonderful inspiring lesson of the Mission Play now being presented every afternoon at San Gabriel.

The direct simile between the critical pediod when Father Junipero's steadfast faith in the cause of righteousness was the only influence which saved California from being abandoned to Russian explorers in 1769, and the faith of all the allies that justice and right will win the struggle against Prussian barbarism in this world crisis, is strikingly portrayed in this wonderful pageant drama.

God's help arrived just in time to save the early civilization of Western America, and the Mission Play promises that Divine aid will be given to America again at the proper time before the end of the present war.

The sacrifices which we are all called upon to make during these days of stress are nothing when compared to the trials and suffering which the Mission padres withstood in their fight for the civilization we enjoy today. Therefore a visit to the Mission Play is a distinct encouragement to all who see it.

On account of its inspiring appeal, Sunday afternoon is an ideal time at which to attend the "Passion Play of America." Its influence is as spiritual as that of a church service, and the wonderful old Spanish melodies and dances of the Fiesta scene also provide all the features of theatrical entertainment.

DANCING CLASS

Miss Edith Lindsay announces a class in social dancing for both boys and girls, in connection with her classes in classic, interpretative and character dances which are in progress. Heretofore Miss Lindsay's classes have been for girls only, but after many requests for the class in which the boys might participate, the announcement is made for Saturday, March 9th, at 3:30.

Miss Lindsay's work is well known and she promises to make the work as interesting and beneficial to the boys as it has been the past year and a half for girls. Visitors are welcome at all times to all classes. The annual spring recital, which will be presented in the near future, is being prepared, and Miss Lindsay has many beautiful surprise numbers to present at that time. Special attention is given to each and every pupil. All pupils entering at this time will have an opportunity of participating.

MISS MARCELLA MILLER ENTERTAINS

A dance greatly enjoyed by the younger set (the High School students) and some of their older friends was given by Miss Marcella Miller Saturday evening at Masonic Temple. About one hundred young people enjoyed the affair, for which the following ladies were patronesses: Mesdames L. E. Miller of Pasadena, W. S. Blaich of Whittier, Alfred Leslie De Vine of Los Angeles, John Ray and James W. Pearson of Glendale.

A pink color scheme was beautifully carried out in decorations of Cherokee roses, carnations and ferns. A jazz orchestra furnished excellent music, and fruit punch was served.

PROCEEDINGS OF BOARD OF TRUSTEES

The Board of Trustees held their regular meeting on Thursday night, all members being present.

The minutes of the last regular meeting were read and approved.

A communication was read from the Finance Committee reporting on their examination of the report rendered by P. D. Hall, Public Accountant of the accounts of the City for the fiscal year ending June 30, 1916, also the year ending June 30, 1917, to the effect that said report is true and correct. There were several recommendations contained in the report. On motion, the report was received and the recommendations therein contained adopted.

An application for permit to conduct a jitney business from Stephen O. Khodigian, was granted.

The City Manager presented a communication in reference to applications for the use of the Council Room, also for the use of the Assembly Room in the public building in the Tropico District for meeting mostly of a patriotic and civic nature, and recommended that the letting of these rooms for such purposes be authorized and that the Council designate someone to have charge of the rooms in this connection. On motion, it was ordered that the recommendation be adopted, and the use of the rooms to be under the control of the City Manager.

The City Manager presented a communication in regard to the improvement of a 23 foot strip of roadway in the center of Broadway east of Glendale Avenue used by the Pacific Electric as a right of way. On motion, the communication was referred to the City Attorney to report on at the next meeting.

A motion was made and supported, that when the Board adjourn, they meet Tuesday, March 19th.

The City Manager presented a communication requesting that an additional thirty days be granted in which to complete the assessment role for the opening and widening of Sycamore Canon Road. On motion the request was granted.

A communication was read from the City Manager in regard to the proposed new house numbering system, suggesting that an invitation be extended to the people residing upon the several streets, which it is proposed to rename, inviting them to select names for the same. The communication stated that the following streets will have to be renamed under the proposed new system: First, Second, Third, Fifth, Seventh, Ninth and Tenth Streets. On motion, Tuesday evening, March 26th was the date set for the public hearing in this matter.

The City Manager recommended that the Ford automobile which has been used for general purposes and police service during the past three and one half years was worn out and that it be replaced with a new one and requested authority to buy a new one at $524.08; the present machine to be turned in for $100.00. Recommendation adopted.

The City Manager presented a communication in regard to the Forestry Department, requesting authority to devote the sum of $200 out of the Contingent Fund of $300 set aside for that purpose, to the purchase of trees. On motion it was so ordered. The City Manager expects to have 1500 trees planted during the coming season.

On motion the City Engineer was instructed to prepare a profile of the grades on Orange Grove Avenue between Adams Street and Verdugo Road.

Mr. Barstow, City Attorney of the City of Alhambra addressed the Board in reference to gas heaters, requesting that the Board familiarize themselves with the action of the authorities of Los Angeles in regard to the matter, and if they can consistently do so, make a change in the present City ordinance covering this subject.

Mr. Cronin apeared before the Board and made a report upon the condition of the recently improved portion of Milford Street, calling attention to some damage caused by recent rains. On motion, the Street Department was instructed to do what work may be necessary to put this street in good condition.

The City Clerk reported that the Pacific Telephone & Telegraph Company had made its annual report of total receipts for the year ending March 10, 1918, in the City of Glendale, showing the sum to be $39,680.73, and had turned into the City Treasury the 2 per cent on this amount, amounting to $793.61 as required by that company's franchise. The company had also turned in to the City Treasury, the amount of $33.08 due in accordance with the terms of its franchise to the former City of Tropico.

On motion a resolution of the Board of Trustees of the City of Glendale providing for the payment of a portion of the cost of the construction of the Ivanhoe Bridge was taken up for reading and was adopted.

On motion, the City Manager was instructed to give notice to the people through the Press, that the Board has received an important communication from the Southern California Gas Company, submitting a proposition in lieu of municipal ownership, and that there will be a public meeting in the Council Chamber at eight o'clock P. M., Tuesday, March 19th, to discuss the matter.

The City Treasurer presented tax deeds issued for property sold to the City for delinquent taxes, and on motion, the same was referred to the City Attorney for examination, and if found correct, ordered to be recorded.

On motion of Trustee Jackson, it was ordered that construction given to the City ordinance by the Building Inspector, and his action in ordering furnace taken out at the Palace Grand Theatre for not complying with this ordinance, is hereby confirmed and approved.

AT THE PALACE GRAND THEATRE

Offering for Week Beginning With Douglas Fairbanks Today

With two shows at 6:45 and 8:45 and a matinee at 2:30, the offering at the Palace Grand Theatre for today (Saturday) is Douglas Fairbanks in "Headin' South". There is not much use in saying that this picture is a good one or one of his best—because they are all good and all the best. "Dougie" got pinched in Glendale last week for speeding and no doubt had that famous smile of his when the officer arrested him. Anyway we don't all have a chance to see him in person but we can see him on the screen. In addition to the Fairbanks picture, "Headin' South" there is also a Luke Comedy, "Beat It." And also Bruces wonderful outdoor pictures. If you want to see the first show we would suggest that you get there early.

"The Female of the Species" is by the same author, Rudyard Kipling, as is "The Naulahka" the feature picture to be shown at the Palace Grand on Sunday night and matinee, March 17. "The Naulahka" is a fascinating, exciting and beautiful picture which all will enjoy. In addition to the feature there is, Roscoe (Fatty) Arbuckle in "Oh! Doctor." The matinee is at 2:30 and the evening shows at 6:45 and 8:45.

For Monday, March 18, Tom Mix in "Six-Shooter Andy" will be the feature picture. It is a thrilling picture of the good old days on the frontier. There is also the Hearst Pathe News Pictorial—which is very interesting. There is no matinee today but two evening shows at 7:15 and 8:45.

Tuesday, March 19, will be Sessue Hayakawa, the famous Japanese in "Hidden Pearls." This picture is directed by George H. Melford, formerly a resident of Glendale. There will also be a Christie Comedy.

Wednesday, March 20, the world's famed star, Clara Kimball Young and her own company in "The Marionettes." Also one reel of comedy.

Thursday, March 21, will be seen Dorothy Dalton in "Flare-Up Sal." This is a story of the '49 gold fields and is real good. Also Paramount Pictograph and cartoon comedy.

Constance Talmadge in "The Studio Girl" is the offering for Friday, March 22. There will also be shown Burton Holmes beautiful outdoor travels.
